Erich Kadlec Remembrance Symposium

The motto of the symposium:

“The role of modern chivalric orders for a better world in peace and harmony. The importance of charity work and the need of coordination and cooperation of the hospitaller and philanthropic works in the 21th century”.

Dear sisters and brothers!
Dear comrades!
Dear friends and guests!

On behalf of the LAZARUS UNION it is a great pleasure for me to invite You all to our “3rd International Hospitaller Symposium”, held from 3. to 6. September 2015 in Vienna, the capital city of Austria.

Vienna has a very large history of important congresses and a very well known world is: “The congress is dancing”.

Following these long time traditions, therefore we shall have a traditional ball during this symposium in Vienna too.

To organize this international symposium, I kindly like to ask You to help us to make this symposium for all attendants an unforgettable event in the history of our three organizations and take care of the expire dates of the different registrations times (especially the hotel registration).

At least I wish You a save journey to Vienna and nice comradely days with friends.

Sincerely Yours
Wolfgang Steinhardt
