

# LAZARUS MEDAL

These are LAZARUS UNION awards especially for persons who cannot use Christian symbols (cross) or do not want to do so, something which the LAZARUS UNION wants to respect. They can of course also be awarded to all other persons as well.

## Prologue

As the LAZARUS UNION neither asks for membership nor registration fees it has no way to even moderately “remunerate” the many services provided by persons in the course of its actions.

Because of this, the LAZARUS UNION has donated various awards which give it a chance to provide (with a relatively low budget) official appreciation to merited persons.

While we try whenever possible to give away such awards without “fees,” this unfortunately is not always possible. Therefore we in some cases need to ask for (relatively) low “insignia fees” in certain amounts for wearable decorations in the form of donations.

But: These “insignia fees” are NOT a “purchasing price” for LAZARUS UNION awards.

Awards of the LAZARUS UNION (with the exception of EXACTLY defined and EXACTLY described decorations as a “visible donation exhibit” like e.g. the Donation Cross and friendship medals) can NOT be purchased but will be awarded in accordance with exact rules.

For specific purposes and projects (e.g. UN-NGO Cross and the Lazarus Medal for sponsoring the 3<sup>rd</sup> Hospitaller Symposium 2015) such insignias will be specially issued to finance certain enterprises and projects. Yet NOBODY is requested to “purchase” or “donate” anything. ALL THESE THINGS are on principle completely voluntarily! We want to especially stress this ONCE AGAIN!

All profits from insignia fees will exclusively go into financing our various projects!

## **Awarding Requirements “Lazarus Medal“**

As already stated this distinction will support the financing of our “3<sup>rd</sup> Hospitaller Symposium 2015“ held in Vienna Sept 3<sup>rd</sup> to 6<sup>th</sup>, 2015. As we NEVER use donated funds for such events this perfectly wrought three-dimensional medal serves to provide the basic funding of the symposium.

EVERYONE can purchase the die Lazarus Medal in silver (nickel plated) or in gold (gold plated). For EVERY medal a numbered named decree will be issued. The edition of these medals is LIMITED (300 pieces in gold and 200 in silver)! On the verso the reason for the issue is stated (“Third Hospitaller Symposium Vienna, 3.to 6.September 2015“ ).

The Lazarus Medal with Honour Clip can NOT be purchased. This distinction will only be awarded to persons who have earned merits for realisation, arrangement, organisation, participation, and realisation of this symposium. This distinction will be awarded AT NO CHARGE and is also limited to 50 medals.
