Blessing for the Lazarus Union from His Holiness Pope Francis

Francesco

Although the Lazarus Union cannot be assigned to a certain religious group because the Lazarus Union considers religion as a purely private concern the Holy Father Pope Francis gave the Lazarus Union his Apostolic Blessing and offered his congratulations through the Apostolic Nuncio in Austria, Archbishop Dr. Peter Zurbriggen.

Therefore the Presidium of the Lazarus Union decided to dedicate the next worldwide charity campaign to the Holy Father and found the

“Blessing Medal”

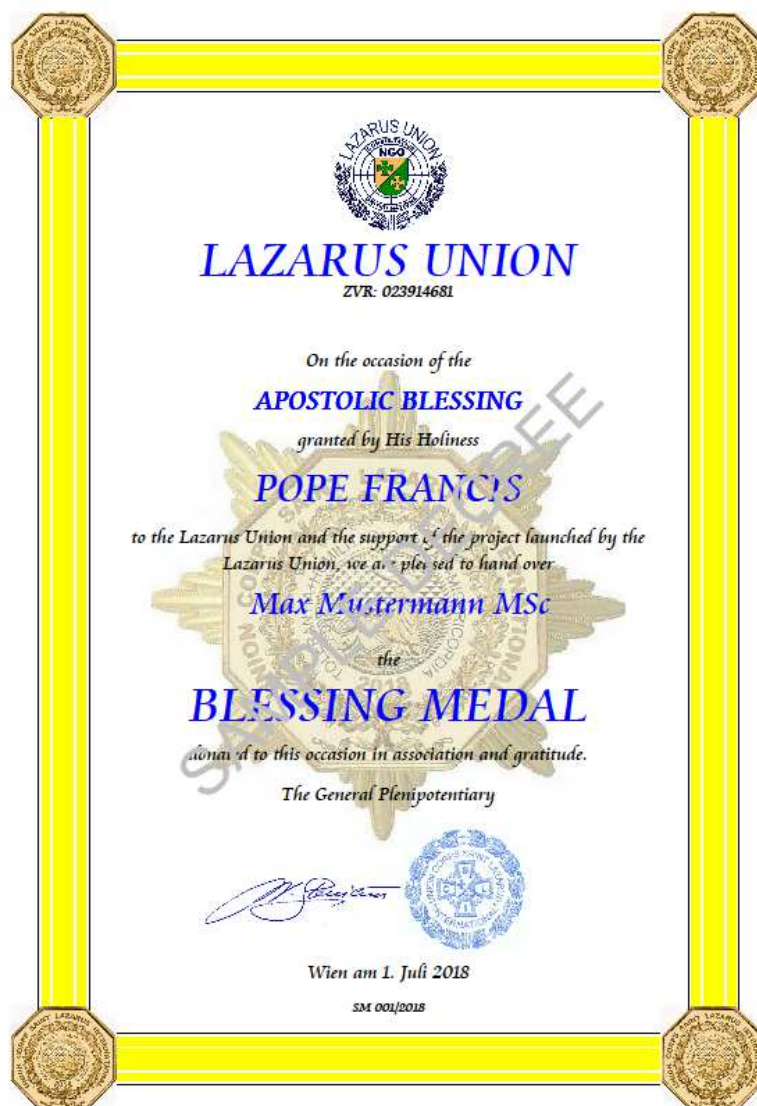

for this reason. This blessed medal will be produced in a strictly limited edition (500 pieces). After a donation of 30 EUR (plus postage) it will be delivered to the donor with a personal certificate and ribbon badge. 25 EUR per medal will be donated to the Holy Father for his personal disposal.

After the completion of this donation campaign we intend to give the collected amount in person to the Holy Father during an audience. The Lazarus Union hopes for many participants as possible in this campaign and is sure that many hearts will open up!
